25X1A1. C/CPD ([REDACTED]) told me this morning that Mr. [REDACTED], who is writing the project, has again been in touch with [REDACTED] (SSHO). They have agreed tentatively on an outline and [REDACTED] will spend what time is necessary and will work closely with [REDACTED] to complete the project as soon as possible. [REDACTED] said he felt 31 January 1971 was a reasonable deadline for the finished product. He also said he understood that [REDACTED] would probably agree to that date.
